

BARBARA FRENCH

Cutshin Bible Mission

12500 Cutshin Road
Yeaddiss, KY 41777

Barbara is a Registered Nurse, Certified Nurse Midwife and an Advanced Registered Nurse Practitioner working at the Cutshin Clinic, a Rural Health Clinic at Yeaddiss in Leslie County, KY, since 1964.

She was saved at the Cutshin Bible Church in 1962. The church and Cutshin Bible Mission were started by Edith Shaw.

Barbara did not belong to an evangelical church which would support her, so Randall took on some of her support. She is a sort of “grandchild,” a product of our first missionary Edith Shaw. In February of 2004 she celebrated her 40th year ministering at Cutshin Bible Mission.

Currently, she is Director of the mission. She is also a member of the local volunteer fire department and ambulance service.

Randall began supporting her in 1964.

Evelyn was saved at the age of 17 through the witness of a cousin. After she began attending Sunday School and memorizing the scriptures, her spiritual life grew.

At about 29, she felt the call of the Lord, and then attended Moody Bible Institute. After attending for two years, the Lord led her to work with our pioneer missionary, Edith Shaw, in Kentucky.

Previous to attending Moody, she worked for 10 years as receptionist and assistant in a doctor's office. Since MBI, she has served 48 years with Cutshin Bible Mission, teaching and doing general missionary work.

Her short-term goal is to reach children and adults with the gospel through teaching and one-on-one ministry in the clinic and during visitation. Her desire is to serve with the mission as long as physically able.

Evelyn is connected to Randall through her longtime service with Edith Shaw.

Randall began supporting her in 1997.
