CAMP CHERITH of Western New York is a Christ-centered year round camping ministry for children and youth, which provides an environment that stimulates personal growth and development in all aspects and phases of life through challenging and unique programs which promote a relationship with Jesus Christ.

Goals of Camp Cherith:

1. To enable children to enter into a personal relationship with Christ and to know His Word.
2. To enable children to form healthy relationships.
3. To enable children to grow as whole persons.
4. To enable adults to understand children and help them develop

Camp Cherith teaches Christian values and life-skills with an emphasis on evangelism and discipleship. Our unique program promotes a personal relationship with Jesus Christ in every aspect of daily life. Campers grow personally, emotionally, socially and spiritually in a safe and nurturing environment.

Our carefully selected and certified staff members are great role models, counselors and spiritual leaders. As the birds brought food to Elijah at the Brook Cherith, likewise our staff members bring God's Word to our campers. They strive to make camp the highlight of every camper's summer.

Our site encompasses woods, meadows, a lake, corral, a swimming pool, target ranges, and activity fields that allow campers to experience the wonders of God's creation.
