dlarson@buffaloisi.com

The mission of ISI is to share Christ's love with international students, and our vision is to befriend them, win as many as possible to Christ, and to disciple them so they are prepared to go out and make a world impact of Christ.

Dave is the Area Director of Western New York and Western Pennsylvania with the responsibility of working with and over seeing ministries in Rochester and Pittsburgh as well as the Buffalo area. Basically it means working with an existing ministry in each place to expand the ministry using the Buffalo ISI model, especially friendship partners and a weekly fellowship meeting.

In Buffalo, Dave leads the staff team, the Friday Night Fellowship, and Muslim Outreach Team and helps Don Manta in the Friendship Partner ministry by taking responsibility for about 1/3 of the churches. Dave also works with a Development Council to secure funding for the Buffalo account.
