Tom is a third generation missionary, son of George and grandson of Helen, all of whom were supported by Randall. Tom was a PK (Preacher's Kid) before he was an MK (Missionary's Kid). His father was pastor of a church in Michigan. Following a missionary conference in their church, George and Geneva felt led to the mission field. Tom was about 2½ at the time. Tom grew up in Bolivia and attended MK schools there through high school. He then went to Houghton College, where he met Mariellyn. Eventually, they went to Bolivia and worked in MK schools.

Tom became the director of a Pre-K- Gr. 12 Christian school in Santa Cruz. Mariellyn taught pre-school and did special tutoring. She has coached several successful gymnastic teams in the past.

Hilgemans have three children: Chris taught Bible at the MK school in Bolivia for two years, but has returned to the USA and is teaching in a Christian school in Dallas, TX. Michelle graduated from LeTourneau College and married Dan Fredrickson in December 2000. They are living in Longview, Texas, working as a teacher and an electronics engineer respectively. Michelle is expecting to present their first grandchild to Tom and Mariellyn around September 10. Jonathan and his wife, Christin, are working on their post-graduate degrees (Jon on his Master's, Christin on her Doctorate) in Orange County, California.

Tom & Mariellyn worked in Bolivia for 25 years under the Gospel Missionary Union. They then served for 4½ yrs in Budapest, Hungary,

serving in office administration and as educational consultants with the Association of Christian Schools International (on loan to ACSI by GMU (GMU is now called Avant Ministries)), serving MK and Christian international schools in Europe the former Soviet Union, and Asia.

They are now serving as the ACSI's Latin America office in Guatemala City, to provide help to Christian schools in Latin America and the Caribbean.

Randall began supporting them in 1975.
